10200 Sepulveda Blvd Suite 160 Mission Hills, CA 91345 | (877) 311-4277

We offer American Heart Association certification courses in addition to several other courses which have been developed and/or accredited by other agencies. The A.H.A. strongly promotes knowledge and proficiency in CPR/BLS, ACLS, ECG & Pharmacology, and PALS, and has developed educational materials for that purpose. Use of these materials does not represent sponsorship by the AHA and any fees charged do not represent income to the Association.
