Lesson 7: Conclusion	2

Every five years the American Heart Association publishes the most recent recommendations on cardiovascular care based on scientific studies. 10/21/20 was the most recent update. Educational Critical Care Concepts courses are taught in accordance with the latest updates.

The American Heart Association (AHA) strongly promotes knowledge & proficiency in BLS, ACLS, & PALS & has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the American Heart Association. Any fees charged for a course, except for a portion of fees needed for AHA course material; do not represent income to the Association.
