

Heartsaver First Aid Skills Practice/Testing Session [HSFA-2020s]

This course is for non-healthcare providers who have completed Part 1 of the American Heart Association Online Heartsaver 1st Aid program and just need the Parts 2 & 3: Hands-on practice/testing session. Students must [email us](#) their AHA Online Course Completion Certificate upon enrollment. This is required for entry into this session.

Includes:

- Hand-on Skills Practice/Testing session with AHA Instructor
- American Heart Association Course Completion eCard

Course Length: Skills Practice/Testing Session is (40 minutes)

Location

- 25 Indian Rock Road, Suite 25 (The Commons Plaza) Windham, NH 03087

2020 Science Guidelines

- Updated to reflect new science in the 2015 American Heart Association Guidelines Update for CPR and ECC and the 2015 American Heart Association and American Red Cross Update for First Aid
- Designed to teach students the cognitive information needed for first aid training
- Upon successful completion of both portions of the course, students receive a Heartsaver® First Aid course completion card, which is valid for two years

After successfully completing this course, students should be able to:

- List the priorities, roles, and responsibilities of the first aid rescuer
- Describe the key steps in first aid
- Remove protective gloves
- Find the problem
- Describe the assessment and first aid actions for the following life-threatening conditions: heart attack, difficulty breathing, choking, severe bleeding, shock, and stroke
- Use an epinephrine pen
- Control bleeding and bandaging
- Recognize elements of common injuries
- Recognize elements of common illnesses
- Describe how to find information on preventing illness and injury
- Recognize the legal questions that apply to first aid rescuers

Who Should Take This Course?

Companies with a workforce where First Aid training may prove invaluable for the safety of both their employees and customers (childcare workers, teachers, foster care workers, camp counselors, coaches, etc.). The general public that desires to be prepared for an emergency in any setting (parents, grandparents, babysitters and guardians).

COURSE DELIVERY

The hands-on skills practice and testing session is conducted in-person with one of our AHA instructors.

Course Completion eCard (Electronic Card)

Upon successful completion of the entire course, students receive an American Heart Association course completion eCard that is valid for two years. This eCard will be issued via email within 48 hours upon successful completion of the course (no waiting for card to arrive in the mail). We're excited to announce that students are now able to claim their eCard via SMS text! Students can opt to receive a text message to claim and view their eCard by texting "eCard" to the number "51736."

Educational Critical Care Concepts

Rev. 1.1

First Aid	
Lesson	Duration (in minutes)
Lesson 1: Introduction	7
Lesson 2: First Aid Basics: Duties and Key Steps	23
Lesson 3: First Aid Basics Summary	2
Lesson 4: Medical Emergencies Summary	2
Lesson 5: Injury Emergencies Summary	2
Lesson 6: Preventing Illness and Injury; Legal Questions	2
Lesson 7: Conclusion	2

Every five years the American Heart Association publishes the most recent recommendations on cardiovascular care based on scientific studies. 10/21/20 was the most recent update. Educational Critical Care Concepts courses are taught in accordance with the latest updates.

The American Heart Association (AHA) strongly promotes knowledge & proficiency in BLS, ACLS, & PALS & has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the American Heart Association. Any fees charged for a course, except for a portion of fees needed for AHA course material; do not represent income to the Association.
