**AFTER your Initial Instructor Classroom Course:**

|    | <b>Action:</b>  | <b>Completed:</b> |
|----|---|-------------------|
| 1. | Obtain all course equipment as outlined in Instructor Manual.   |                   |
| 2. | Schedule Initial Monitoring. Must be completed within 6 months of classroom course. Monitoring Tips: <ul style="list-style-type: none"> <li>• Reach out to the main office to schedule your date. Be flexible and give as much advance notice as you can. The more notice the better.</li> <li>• You are responsible for setting up the course including having students to teach. It is recommended to have at least 2 students. They can be friends or family, just anyone that is willing to sit through the class and play along.</li> <li>• Be sure you have all your equipment organized and know how to use it.</li> </ul> |                   |

**AFTER your Initial Monitoring:**

|    | <b>Action:</b>   | <b>Completed:</b> |
|----|--|-------------------|
| 1. | Order course completion cards for the students that attended your initial monitored course through <a href="http://www.lifetekinc.com">www.lifetekinc.com</a> . Please add to the order notes: "NEW INSTRUCTOR" with your first and last name. |                   |
| 2. | The office will approve your alignment request on the AHA IN and process your eCard order. Usually takes 1-2 business days to process  |                   |
| 3. | The office will process the remainder of your paperwork. At that time, we will set up your Enrollware.com account and email your instructor card. You will receive an email with your login information. Can take up to 30 days to process.    |                   |

\*Be sure to familiarize yourself with the instructor renewal requirements found in your Instructor Manual and in the LifeTek Instructor Reference Packet. There is no grace period for expired instructor cards, and it is your responsibility to renew BEFORE you expire.
